Executive Committee Reports

- a. Historian, Nancy McKenna: No updates at this time.
- b. Treasurer, Lauren Taylor: We will present the budget at the May meeting and vote on it. A copy of the budget will be posted to the website and sent to all members via enewsletter multiple times. Right now, we have about \$7,435.21 in the budget.
- c. 2nd Vice President, Nicci Giehl: Thank you to everyone who donated to the district-wide SHIM food drive; Hoover students were asked to donate non-refrigerated beverages, and we had a great turnout of items to give. Carnival was a wonderful event for our families; 5th graders put together a great night with the help of their parents. PSSA testing starts next week and goes for three weeks. First reading, then math, then science for 4th graders. KG orientation will be held at the end of April, and then screening following that. Tonight is the VIP Maker Night with parents and kids – parents are bringing a kid and everyone who has asked to participate will all be accommodated. FYI: Any extra snow days are always at the end of the school year per the annual calendar that is sent out at the beginning of the school year, and it's already in the 18/19 calendar for next year, so there should not be any surprises.
- d. Vice President, Ann Werzyn: No report.
- e. President, Cristina Battaglia: Installation for all new board members will be held on April 25 at the high school to welcome Jamie and Carol to our Hoover board, and then the luncheon will be at 11:30am; please RSVP if you can. If you have any questions or concerns for Dr. Irving, please let me know. Next Council meeting I can bring things up as requested.

Committee Reports

- f. International Night, Cristina Battaglia for Melissa Petrich: We are still missing a few holes, so if you would like to celebrate your heritage by displaying a table and sharing that heritage, please let us know. It will be held May 2, from 6-8pm. Working on final details right now.
- g. Hoover 5K, Lauren Taylor: The race is scheduled for Saturday, June 2, and we are currently looking for sponsors. Least expensive is \$100 or you can market your service or goods through give-a-ways.
- h. Holiday Shop, Carol: Need to think about what products could be made over the summer, if parents are interested in helping. It was brought up that perhaps the maker space could purchase a press and then we could use it for the PTA holiday shop? We could do screen-printing and/or other types of crafts all together. Start to ask now for parents to make items and drop them off at Carol's house
- i. Breakfast with someone special: We have sent letters out for donated items to our community partners who have helped in the past, and also looking for volunteers for setup, May 31. We will need someone to pick up Coffee Tree Roasters coffee at 7am that Thursday morning. We should do an RSVP on Google Form to know who is coming and who they are bringing. Especially for safety reasons. May 1 and May 6 email blast we can include it, and then have a deadline on the 15th to reserve.
